

Practical experience shows that nothing will so much insure immunity from drink as intensive work with other alcoholics.

You can help when no one else can.
To watch people recover,
to see them help others,
to watch loneliness vanish,
to see a fellowship grow up about you,
to have a host of friends
-- this is an experience you must not miss.

Studies have shown that,

"Those involved in Service Work have a 50% better chance of staying sober than those who are not doing service work."

Visit our committee's page to learn more about service opportunities.
